

TECHNICAL PROFESSIONAL

FCS - BAKERY OPERATION

Grade 12

**Three-Term Budget Of Work (BOW)
for Learning Competencies**

**TECHNICAL PROFESSIONAL
FCS - HOSPITALITY AND TOURISM
Grade 12**

**Three-Term Budget Of Work
For Learning Competencies**

Please note that each TechPro elective is completed within one term if delivered at Grade 12.

Term Plan	
Elective	Bakery Operation
Content Standard	• The learners demonstrate an understanding of the fundamentals of baking bread and other baked products. • The learners demonstrate understanding of pastry products. • The learners demonstrate understanding on cake products. • The learners demonstrate understanding on producing traditional and contemporary petit fours.
Performance Standard	The learners demonstrate fundamental skills in baking breads. The learners apply skills in preparing pastry products. The learners apply skills in producing cakes and cake products. The learners apply the skills in producing traditional and contemporary petit fours.

Week	Learning Competency	Suggested Activities
1	- Discuss the overview of the baking industry. - Discuss the fundamentals in baking.	Baking Industry Research - Write a report on the history, trends, and major sectors of the baking industry. Industry Presentation - Prepare a presentation highlighting prominent baking businesses and their specialties. Baking Principles Reflection - Explain the key principles of baking including ingredients, methods, and equipment. Fundamentals Quiz Creation - Create a short quiz to test understanding of basic baking principles.
2	Prepare bread products following safety.	Bread Baking Practice - Bake one type of bread while following proper hygiene and safety standards. Bread Variety Challenge - Prepare 3 different types of bread and present them with correct labeling.
3	Select appropriate packaging and marketing strategies of bakery products.	Packaging Design Task - Design a label and packaging for a bakery product including storage instructions.

Week	Learning Competency	Suggested Activities
		• Bakery Marketing Plan ◦ Develop a marketing strategy including pricing, target market, and promotional activities.
4	• Explain the fundamentals of pastry making. • Discuss the characteristics of pastries.	• Pastry Fundamentals Worksheet ◦ Complete a worksheet identifying types of pastries, techniques, and ingredients. • Pastry Technique Demonstration ◦ Demonstrate one basic pastry-making technique such as folding, creaming, or laminating. • Pastry Analysis ◦ Examine a pastry sample and describe its texture, color, flavor, and appearance. • Pastry Comparison Chart ◦ Create a chart comparing 3 types of pastries based on their characteristics.
5	• Prepare crust, fillings and coating for pastry products.	• Pastry Components Task ◦ Prepare a crust, one filling, and one coating for a simple pastry. • Pastry Assembly Challenge ◦ Assemble pastries using prepared crusts, fillings, and coatings.

Week	Learning Competency	Suggested Activities
6	Prepare traditional and contemporary pastry products.	Traditional Pastry Practice - Prepare one traditional pastry product following standard procedures. Contemporary Pastry Platter - Prepare 2 contemporary pastry products and plate them for presentation.
7	Perform costing and marketing of pastry products.	Pastry Costing Worksheet - Calculate the cost per serving and selling price for a selected pastry product. Marketing Simulation - Develop a plan to promote and sell pastries in a mini “bakery fair” scenario.
8	- Explain the fundamentals of cake production. - Classify cakes and icing based on ingredients used.	Cake Production Notes - Write a step-by-step guide on cake production, including mixing, baking, and cooling. Cake Method Demonstration - Demonstrate one cake mixing method (creaming, sponge, or chiffon) in practice. Cake & Icing Classification - Identify and classify at least 5 cakes and their icings according to

Week	Learning Competency	Suggested Activities
		ingredients and method. • Cake and Icing Chart ◦ Create a chart showing types of cakes and icings with examples and descriptions.
9	• Produce and store cakes following industry standards.	• Cake Baking Practice ◦ Bake a cake and store it following industry standards to maintain freshness and quality. • Cake Showcase ◦ Present a selection of cakes demonstrating proper storage, labeling, and presentation.
10	• Discuss the function of petit fours • Describe the characteristics of traditional and modern petit fours	• Petit Fours Reflection ◦ Write a short explanation about the purpose and functions of petit fours. • Petit Fours Poster ◦ Create a visual poster showing different types and functions of petit fours. • Petit Fours Observation ◦ Examine 2 petit fours and describe their texture, shape, ingredients, and appearance • Petit Fours Comparison Table ◦ Create a table comparing traditional

Week	Learning Competency	Suggested Activities
		and modern petit fours with examples.
11	Produce traditional and modern petit fours	Petit Fours Practice - Prepare one traditional or modern petit four following standard procedures. Petit Fours Platter - Prepare a set of traditional and modern petit fours and present them on a platter.
Suggested Performance Tasks		Individual Performance Task: Bread Baking Practice - Bake one type of bread following proper hygiene, safety, and bread-making techniques. Group Task: Bread Variety Challenge - As a group, prepare 3 different types of bread, demonstrating correct shaping, baking, and presentation. Individual Performance Task: Pastry Components Task - Prepare a basic pastry crust, one filling, and one coating following proper techniques. Group Task: Pastry Assembly Challenge - As a group, assemble 3 different pastry products using prepared crusts, fillings, and coatings, then present them for evaluation. Individual Performance Task: Individual Cake Production - Produce one cake following proper mixing, baking, and cooling methods, ensuring consistent texture and appearance. Group Task: Cake Production Showcase - As a group, produce a set of 3 cakes demonstrating different mixing methods and icings, then present a mini cake display.

Week	Learning Competency	Suggested Activities
	• Individual Performance Task: Petit Fours Practice ◦ Prepare one traditional or contemporary petit four following standard procedures. • Group Task: Petit Fours Platter Presentation ◦ As a group, prepare a selection of traditional and contemporary petit fours and present them on a decorative platter.
