FCS - TOURISM SERVICES

Grade 12

**Three-Term Budget Of Work (BOW)
for Learning Competencies**

TECHNICAL PROFESSIONAL FCS - HOSPITALITY AND TOURISM Grade 12

Three-Term Budget Of Work For Learning Competencies

Please note that each TechPro elective is completed within one term if delivered at Grade 12.

Term Plan	
Elective	Tourism Services
Content Standard	• The learners will develop comprehensive travel intermediaries, attractions and activities by proposing well-structured itineraries that showcase the unique offerings of the Philippines at specific destinations. • The learner understands travel preliminaries, the ticketing process, completing travel service transactions, and crisis management in travel. • The learners understand the key concepts of tourism promotions, products and services, tour packages, ways of promoting tourism, dealing with customers, and the health, safety, and security of tourism services. • The learners demonstrate an understanding of the overview of local guiding services, tour guiding as a profession, tourism in the Philippines, the different stages of tour guiding, tour documents, logbooks, and suppliers, and Risk Management in Tour Guiding.
Performance Standard	The learner will design travel intermediaries to promote attractions, tourism, culture and activities of specific places that highlight the Philippines' unique offerings at specific destinations. The learner demonstrates solutions and alternatives to address a customer's ticket concerns, integrate the process of ticketing for travel transactions, and performs the procedures for providing compensation entitlements to guests affected by travel disruptions aligned with ASEAN MRA Toolbox. The learners will be able to develop tour packages, appropriately dealing with customers, in performing product marketing using promotional tools

and techniques. Learners show the characteristics and roles of a tour guide, the Filipino brand of service excellence, the stages of tour guiding, and the ability to assess risks in tour guiding and implement appropriate procedures for handling unforeseen events.

Week	Learning Competency	Suggested Activities
1	- Discuss the scope, types, and history of the travel and tourism industry. - Explain career opportunities, global, and local trends in tourism services.	Tourism Timeline - Create a timeline showing major events in the development of global and Philippine tourism. Tourism Scope Map - Prepare a concept map illustrating the different types and scope of travel and tourism. Career Insight Report - Select one tourism career and write a brief report on its duties and qualifications. Trends Infographic - Create an infographic highlighting global and local tourism trends.
2	- Discuss travel and tourism industry stakeholders and their role. - Discuss travel intermediaries.	Stakeholder Listing - Identify major tourism stakeholders and describe their roles. Stakeholder Interaction Case - Analyze a scenario showing

Week	Learning Competency	Suggested Activities
		stakeholder interaction and explain their contributions. • Intermediary Comparison ◦ Compare wholesale and retail travel intermediaries in a short chart. • Travel Inquiry Simulation ◦ Simulate how a travel intermediary handles a customer inquiry.
3	• Design a travel and tour package with itineraries. • Analyze the legal and ethical considerations in travel service.	• 1-Day Itinerary Drafting ◦ Prepare a simple one-day itinerary for a Philippine destination. • Complete Tour Package ◦ Create a 3D2N tour package with inclusions and costing. • Ethical Case Reflection ◦ Read a case involving an ethical issue and write your recommended solution. • Legal Consideration Checklist ◦ Create a checklist of legal considerations when providing travel services.
4	• Explain the travel preliminaries. • Discuss the uses and functions of the Global Distribution System used in the tourism industry.	• Pre-Departure Checklist ◦ Prepare a checklist of documents and requirements needed before traveling. • Airport Procedures Simulation ◦ Simulate airport procedures from

Week	Learning Competency	Suggested Activities
		check-in to boarding. • GDS Summary ◦ Write a short explanation of what GDS is and why it is used. • GDS Comparison Chart ◦ Compare three GDS providers and list their key features.
5	• Discuss the process of providing travel service requirements in other travel and tour products. • Demonstrate ways of providing solutions and alternatives to address customer ticket concerns.	• Travel Requirements Checklist ◦ Identify basic travel service requirements and list them in a checklist. • Service Flowchart ◦ Create a flowchart showing the steps in providing travel service assistance. • Ticket Concern Response ◦ Write a sample message responding to a customer ticket issue. • Ticket Issue Scenario ◦ Role-play or describe a scenario where a ticket concern is resolved using proper procedures.
6	• Discuss the stages involved in processing payments for travel transactions. • Perform the procedures for providing compensation entitlement to guests affected by flight disruptions.	• Payment Method Comparison ◦ Create a table comparing cash, card, and online payment methods. • Payment Processing Simulation ◦ Demonstrate the steps in verifying

Week	Learning Competency	Suggested Activities
		payment and issuing a receipt. • Passenger Rights Summary ◦ Summarize the Air Passenger Bill of Rights. • Disruption Handling Scenario ◦ Simulate handling a flight disruption and providing compensation entitlements.
7	• Discuss the concepts, characteristics of tourism products, and the marketing mix. • Explain the roles of stakeholders in tourism promotion, trends, and ethical considerations.	• Tourism Product Description ◦ Choose a tourism product and describe its characteristics. • 7Ps Marketing Plan ◦ Create a mini-marketing plan using the 7Ps for a destination. • Stakeholder Role Chart ◦ Identify stakeholders involved in tourism promotion and list their roles. • Ethics Case Review ◦ Analyze a promotion-related ethical issue and explain proper conduct.
8	• Discuss the different sectors of tourism promotion. • Discuss tourism products and services in tourism promotion. • Discuss types of tour package. • Demonstrate tour packages promotion.	• Sector Identification Table ◦ List the sectors involved in tourism promotion and their functions. • Sector Relationship Diagram ◦ Create a diagram showing how tourism sectors work together.

Week	Learning Competency	Suggested Activities
	Perform tourism promotion using promotional tools and techniques.	Product Comparison - Compare two tourism products based on features and benefits. Product Showcase - Prepare a simple presentation introducing a tourism product or service. Package Definitions - Define the major types of tour packages. Package Comparison Chart - Create a chart comparing the characteristics of tour packages. Promotional Caption Writing - Write promotional captions for a chosen tour package. Promotional Video Draft - Prepare a short script or layout for a tour package promo video. Destination Poster - Create a poster promoting a Philippine destination. Promotion Strategy Plan - Develop a basic multi-platform promotional strategy.
9	Demonstrate appropriate dealing with customers applying ethical and responsible	Customer Engagement Script - Write a sample dialogue showing

Week	Learning Competency	Suggested Activities
	customer engagement. Discuss the health, safety, and security in tourism services.	ethical customer service. Customer Interaction Simulation - Perform or describe a scenario showing proper engagement. Safety Guidelines Checklist - Create a checklist of safety and security guidelines for tourism settings. Emergency Drill Simulation - Simulate a tourist safety emergency and demonstrate proper response.
10	- Discuss an overview of local guiding services. - Demonstrate the characteristics and roles of a tour guide including the Filipino brand of service excellence. - Differentiate the different types of tourists, the Philippine geography, and its tourism culture.	Tour Guiding Summary - Write a short summary explaining the purpose of local guiding services. Guide Profile Poster - Create a poster featuring well-known Filipino tour guides and their contributions. Characteristics Checklist - Create a checklist of essential tour guide qualities. Guided Tour Simulation - Perform a mini-guided tour demonstrating Filipino service excellence. Tourist Type Matching - Match different types of tourists with

Week	Learning Competency	Suggested Activities
		their characteristics. • Cultural & Geographic Presentation ◦ Present key cultural and geographic features relevant to tourism.
11	• Demonstrate the stages of tour guiding. • Develop tour commentaries. • Explain the use of tour logbooks and documents and the importance of tour suppliers. • Assess risk in tour guiding and implement appropriate procedures in handling unforeseen events.	• Stages Outline ◦ Outline the pre-tour, during-tour, and post-tour guiding stages. • Tour Stage Demonstration ◦ Conduct a short demonstration covering all guiding stages. • Commentary Writing ◦ Write a 1-minute commentary for a famous Philippine attraction. • Commentary Delivery ◦ Deliver or record a short live commentary using storytelling. • Tourism Document Listing ◦ Identify and explain common documents used in tour operations. • Sample Logbook Entry ◦ Create a sample tour log entry with complete details. • Tourism Document File ◦ Identify and describe important documents used in tour operations (e.g., tour vouchers, itinerary, waiver, logbook, booking confirmation).

Week	Learning Competency	Suggested Activities
		Compile them into a simple document file with brief explanations of their purpose. • Supplier Mapping ◦ Create a diagram or chart showing different tour suppliers (e.g., hotels, transport companies, attractions, restaurants) and explain how each supplier contributes to the success of a tour. • Risk Assessment Checklist ◦ Prepare a checklist identifying possible risks during a tour. • Emergency Scenario Response ◦ Demonstrate procedures for addressing an unforeseen event such as a lost tourist or health incident.
Suggested Performance Tasks	• Individual Activity: Travel Intermediary Concept Sheet ◦ Create a one-page concept sheet for your own travel intermediary (e.g., online travel agency, tour operator, booking platform). Include the target market, Philippine destination focus, cultural highlights, and your promotional strategy. • Group Activity: Destination Promotion Pitch ◦ As a group, develop and present a promotional campaign that uses travel intermediaries to highlight a Philippine destination's attractions, activities, and cultural offerings. Present the slogan, promotional tools, and distribution channels. • Individual Activity: Ticket Concern Case Analysis ◦ Analyze a provided customer ticket complaint (e.g., wrong name entry, rebooking,	

Week	Learning Competency	Suggested Activities
		cancellation). Write the correct solution, process flow, and required documents according to ticketing standards. Group Activity: Ticketing and Compensation Simulation - In groups, role-play a complete ticketing scenario from booking to payment, including resolving a customer problem and performing compensation procedures for a delayed or disrupted flight. Individual Activity: Tour Package Development Sheet - Create a simple 3-day tour package including itinerary, costing, inclusions/exclusions, and pricing. Include a short write-up on how you would communicate with customers during the booking process. Group Activity: Marketing Tools Creation - As a group, design promotional materials for a chosen tour package (e.g., brochure, social media poster, teaser video). Present how these tools will attract customers and boost sales. Individual Activity: Tour Guide Role Reflection - Write a reflection explaining the qualities of an effective tour guide, including the Filipino Brand of Service Excellence (FBS). Explain how these qualities are applied in each stage of tour guiding. Group Activity: Guided Tour Simulation with Risk Response - In groups, conduct a short guided tour simulation. Assign tour-guiding roles, demonstrate the stages of tour guiding, and integrate a mock “unforeseen event” (e.g., lost tourist, weather disruption) where the group must apply proper risk-handling procedures.
